About Sitag

The renowned Swiss office furniture manufacturer Sitag offers high-quality, exclusive office furniture since more than five decades. The programme lines, which are ergonomically perfected, functionally well-thought and processed in best craftsmanship cover all demands to equipment for office and management floors as well as conference and lounge areas. International design awards such as the red dot design award emphasise the innovative force and design competence of the Swiss manufacturer. The brand Sitag with the claim 'swiss style at work' stands for lifestyle and crafting precision in best Swiss quality. Currently 125 employees are engaged at the company site in Sennwald, the showrooms in Bachenbuelach and Nyon (Switzerland). Sitag is a company of the Nowy Styl Group. The Nowy Styl Group is one of Europe's leading manufacturers and suppliers of complete solutions for offices and public spaces. As an experienced expert and designer of office worlds, auditoriums and sports facilities, the owner-managed company is a reliable partner that offers modern research and consulting services in the field of work style analysis and change management and always takes individual customer needs as well as aspects of ergonomics and acoustics into account.
